

20th Annual TRUCKEE RIVER FIELD STUDY COURSE May 2 & 3, 2024

Guest speakers from UCD, TMWRF, Truckee River Watershed Council, Pyramid Lake Tribe, TMWA, US Fish & Wildlife, Bureau of Reclamation and The Nature Conservancy

TOUR LEADER KARIN PETERNEL

Full 2-day field course by bus, covering the entire length of the Truckee River. Seating is limited; moderate amount of walking. (Space is limited and sign-ups are first-come, first-served.)

From Lake Tahoe to Pyramid Lake, the Truckee River flows just over 100 miles and is a microcosm of western water issues. Course content will cover current drought conditions, hydrology and flow regulation under the Orr Ditch Decree and the Truckee River Agreement, water quality trends and remediation, hydropower generation, riparian habitat restoration, flood control enhancement, legal issues and efforts to negotiate solutions, and the newly-implemented Truckee River Operation Agreement. Qualifies for 15 hours of continuing education for Nevada engineers and water rights surveyors. Attorneys and others may get credit if approved by their licensing agency.

Event Registration fee includes tour transportation, non-alcoholic beverages, lunch, snacks and informative handouts. Your registration confirmation email will include departure location information and attire recommendations. Participants are responsible for their own hotel reservations (if needed) and transportation to the departure location in Sparks, Nevada.
